

# AFRICAN MEDICAL MISSION

IMPROVING THE QUALITY OF HEALTHCARE IN THE TRANSKEI

22 Feb. 2009

Dear friends,

We've spent a lot of money these past few weeks registering and outfitting children for school - fees, shoes, sweaters, ties, books, pens, paper, and on and on and on. You can be sure the 15 high school students we support are grateful for the help. I had them write thank you letters at our first after-school English class and am sending them along to you. As you can see, we still have a long ways to go on learning English but I hope that doesn't diminish the sentiment.

*Jesse*
